Whether you're a local or tourist, we always feature our favorite spots along with all the new and exciting things our city has to offer.

This week we feature Marc Zaffuto and Manon Savary, the creative duo behind the mesmerizing "Belle De Nuit" at the Voltaire Theater at The Venetian Resort. "Belle De Nuit" draws inspiration from a flower that blossoms only in the night. This name encapsulates the essence of Savary & Zaffuto's latest creation. Beyond dazzling performances and gravitydefying acts, there's a profound message of inclusivity and liberation.

Las Vegas has survived it first Super Bowl, and we now return to our regularly scheduled programming: Dropicana 2.0 kicks off this week with I-15 closed between Russell and Flamingo all weekend long. Plan accordingly.

Happy Valentine's Day to all of our readers! We do love you all!

A. Leaha Crawford, CPA, EA, MBA: A Beacon of Expertise in the Tax Industry

In the ever-evolving world of finance and taxation, few names resonate with the depth of expertise and commitment as A. Leaha Crawford, Leaha, of Crawford Management Group. With a career spanning three decades in the tax industry, Leaha has established herself as a certified public accountant and enrolled agent, a testament to her profound knowledge and experience.

Residing in the Las Vegas Valley for two decades, Leaha has not only made a significant impact on the business community but also on the societal fabric through extensive community service. Her firm, with its roots firmly planted in Las Vegas for 17 years, reflects her dedication to providing personalized and comprehensive tax and financial services.

Leaha's journey in the tax world is marked by notable milestones. She initiated her electronic filing services in 1995 and achieved her first record refund the following year. Her move to Las Vegas in 2004 was a turning point, leading to the inception of her business in 2007. Today, Crawford Management Group stands tall with 13 years of presence in downtown Las Vegas.

A notable aspect of Leaha's approach is her focus on keeping clients well-informed and compliant, especially with the everchanging tax laws. Her passion for taxation is evident in her regular radio talk show appearances, where she demystifies complex tax topics for the average listener.

The Tax Cuts and Jobs Act, a significant legislative change introduced during President Trump's tenure, is one area where Leaha's expertise shines. She skillfully navigates clients through the intricacies of this act, ensuring they leverage the available benefits, like the 20% tax credit for businesses.

A recent development that Leaha has been vocal about is the beneficial ownership requirements set to take effect in January 2024. She emphasizes the importance of compliance with this new mandate, highlighting the substantial fines for noncompliance and advising business owners to seek professional assistance.

Leaha's team at Crawford Management Group is equipped to handle complex tax situations, including Offer in Compromise (OIC) cases. The team includes specialists like Larry Clerks, an expert in OIC, who brings 30 years of experience in negotiating with the IRS. Their collaborative approach ensures that clients receive not just tax filing services but comprehensive financial counseling.

The breadth of Leaha's involvement extends beyond her professional sphere. As an active member of the Alpha Kappa Alpha Sorority, Incorporated and the NAACP, her commitment to community service is unwavering. This dedication was particularly evident in her contributions to the LGBT community in the early 2000s.

Leaha Crawford and her team at Crawford Management Group stand as pillars of reliability and expertise in the tax industry. Their client-centric approach, coupled with Leaha's extensive experience and community involvement, makes them a beacon for those navigating the complexities of taxation and financial planning.

In the scintillating realm of Las Vegas nightlife, Savary & Zaffuto emerge as architects of spectacle, orchestrating an immersive experience that transcends the ordinary. The duo, Marc Zaffuto and Manon Savary, creative and show directors of the mesmerizing "Belle De Nuit" at the Voltaire Theater at The Venetian Resort is a show that unfolds like a dream, embracing freedom and creativity in every spotlight performance.

Our journey into the world of Savary & Zaffuto unveils a tale of passion, inspiration, and an unyielding pursuit of freedom. A decade ago, their

creation of "Manko Cabaret," a provocative show that served as

the canvas for their shared vision. This marked the genesis of Savary & Zaffuto, an homage to freedom and authenticity that has now found its zenith in "Belle De Nuit."

"Belle De Nuit" draws inspiration from a flower that blossoms only in the night. This name encapsulates the essence of Savary & Zaffuto's latest creation. Beyond dazzling performances and gravity-defying acts, there's a profound message of inclusivity and liberation. Each artist takes center stage, contributing to a constellation where every star shines uniquely.

The journey of Savary & Zaffuto to Las Vegas unfolded serendipitously, guided by a producer's vision, Michael Gruber, to recreate the disco era ambiance.

takes place before some of the biggest names in the music industry hit the stage, with current headliners including Christina Aguilera and Kylie Minogue. The Voltaire Theater becomes a melting pot of artistic expression, a space where the legacy of Savary & Zaffuto flourishes.

Before the bright lights of Las Vegas, Savary & Zaffuto carved their niche in France, with earlier collaborations including the iconic "Manko Cabaret." Their parties in France were legendary, attracting the coolest people, from celebrities to social influencers. The exclusivity of their events became the stuff of legends, a testament to their ability to curate experiences that transcended the ordinary.

Their success in France became the

catalyst for their journey to Las Vegas, where they were scouted to prepare the monumental "Belle De Nuit." The duo's reputation as pioneers of avant-garde entertainment and masters of creating unforgettable experiences preceded them, earning them the opportunity to showcase their artistry on the illustrious Las Vegas stage.

They aren't juut creating shows, they are creating a movement. Marc Zaffuto and Manon Savary of Savary & Zaffuto have

erected a monument to individuality, breaking barriers and fostering

inclusivity. This show, set against the backdrop of Las Vegas glamour, stands as a testament to the enduring power of creativity and the boundless possibilities of the night, making it a must-see for those who crave an extraordinary escape into the world of avant-garde entertainment.

As the duo embarks on future projects, including an official partnership with the Olympic Games in Paris with their show "Fantasma, Circus Erotica" their commitment to preserving the spirit of freedom and love remains unwavering.

The message is simple: "Freedom is the key, baby!"
